2012–2013 DONORS
FOUNDERS SOCIETY

Nazareth COLLEGE

In the long term, perhaps no group will have more impact on the future of Nazareth College than the Founders Society—a group established to honor those who have made planned gifts to the College. Individuals who pledge support through bequests, charitable trusts, gifts of insurance, and similar deferred and life income instruments are invited to become members and enjoy special privileges and recognition. We are extremely grateful to the following for their generosity and foresight.

2012–2013 DONORS
ALUMNI GIVING BY CLASS

Nazareth COLLEGE

During the 2012–2013 year, alumni giving totaled $739,695. We gratefully acknowledge the support of all our alumni—from the early graduating classes of the 1930s to this year's graduates in the class of 2013. Please note that the percentage of participation is calculated by dividing the number of donors by the number of solicitable undergraduate alumni in each class. Undergraduate and graduate classes for each year are listed separately.
