Course equivalency/substitution information provided on this sheet will be used to post information to the Degree Audit module. Students have immediate access to their on-line Program Evaluations, so it is important that we collect and enter this data for every transfer student. *See examples on reverse side.*

Return this form to the Academic Advisement Center with the advising folder. A copy will be retained in the file. Contact Elaine Missel if you have any questions.

Directions/Suggestions for completing this grid
