

## **Student Authorization Statement For Parking Fees Federal Title IV Funds**

The Bursar's Office of Nazareth College will be acting as your agent in the disbursement of any Federal Title IV funds which you receive to support your undergraduate or graduate education. Given the variety of disbursement options and our need to comply with relevant federal regulations, we ask that you read this form carefully.

The new regulations require that we obtain your **permission to use your Federal Title IV funds to cover any indirect educational expenses that appear on your student bill, (e.g. parking fees)**. This applies to all aid recipients.

I authorize Nazareth College to apply my Federal Title IV financial aid toward the payment of tuition, fees, and any other charges billed by Nazareth, understanding that I will receive a refund only if my aid exceeds these charges.

If, after you have returned this form to the Bursar's Office, you wish to cancel or modify this permission, you need only to file an amended Authorization Statement in the Bursar's Office. This can be done at any time.

I understand that should I receive a refund prior to the Bursar's Office receiving my parking fee from Campus Safety, I will be responsible for repaying the Nazareth Bursar's Office for the cost of my parking fee. If your student loan is disbursed and you receive a refund before your parking fee is applied you are required to repay your charges within two weeks of being billed.

I understand that if a college debt must be referred to outside sources for collection, I will be responsible for paying additional collection costs including but not limited to, attorney fees and disbursements. Nazareth College reserves the right to withhold grades, transcripts, diplomas or re-registration in those instances where financial obligations are not fulfilled.
