

## **Petition to Participate in May Commencement Ceremony**

Commencement at Nazareth University is held annually in May. Students who complete all requirements at the end of the Spring semester are automatically eligible to participate in the commencement ceremonies. If a student can reasonably complete requirements by the end of the following summer or fall semesters they may request to walk in the earlier May ceremony. They may also elect to wait until the following ceremony if they wish. A student may only walk and have their name listed in the program once.

To request to participate in a commencement ceremony prior to the completion of a degree, please complete this form and submit it to the Registration and Records Office by email at reg@naz.edu.
