

NURSING CLUB UPCOMING EVENTS/UPDATE

The nursing club has a lot of exciting ideas for this upcoming school year. Our first meeting was held on the 18th of September at 12:30 PM. For the most part this time seemed to accommodate most of the students and appeared to be the most convenient time to host meetings. The first meeting was a success as we were able to introduce some of the nursing faculty, address upcoming fundraisers, charities, and volunteer work. We also addressed some other aspects such as a big brother/big sister program for incoming nursing freshmen.

Some of the hopeful ideas for nursing club this year include:

- ❖ Breast Cancer Walk/ Sex-trafficking Walk
- ❖ Fleece/clothing sale orders
- ❖ Clothing drives
- ❖ Big Brother/Big Sister Program
- ❖ Tutoring Open Hours for nursing students to work on Care Plans, skills, scheduling conflicts, etc.
- ❖ Nearby Hospitals and Recruiter information
- ❖ Information for Sophomores/Juniors for summer internship programs nearby
- ❖ Panel of different types of nurses in March (Traveling nurses, nurse anesthetist, flight nurses, nurse midwife, nurse practitioner, etc.)

....And Much More!

Overall, we are very excited about this upcoming year for nursing club and are extremely open to any ideas or programs the student body would like to take part in!

Our Next meeting is going to be on Wednesday, October 9th in the Nursing conference room at 12:30 PM, food will be provided.

Thanks to everyone for all the support present in our first meeting as well as the continued support!
Carley Molisani (President), Guadalupe Perez (VP), Lauren Miller (Secretary), and Juliet Wong (Treasurer)

IT'S GOING TO BE A GREAT YEAR!
