

**Nazareth College Department of Social Work**  
**Weekly Field Instruction Notes/Summary – Senior Internship**

*You may not be able to address each issue on this form each week in supervision. This tool will help you and your field instructor to focus on specific areas, along with your agenda, and/or will serve as documentation which can assist in completion of the midpoint and final evaluations.*

- 1. Learning Contract:** What practice behaviors have you begun, made progress in, or accomplished since the last supervisory session?

Which practice behaviors will you focus on for the next supervisory session?

- 2. Achievements:**

- 3. Challenges:**

**4. Updated client review, client progress, and goals** (may need to bring client files, your notes on clients):

**5. Skill, knowledge/growth areas** (any ethical dilemma, issues of diversity encountered):

**6. Discussion** (theoretical and evidence-based assessment, intervention, evaluation; case conceptualization; clinical judgment):

**7. Goals for upcoming weeks** (who is to do what by when):

**8. Student concerns** (Are you getting what you need from this placement? How can it be improved?):

**9. Field instructor concerns:**

**Field Instructor Signature**

**Student Signature**

**Date**

**Date and time of next field instruction:**
