Nondiscrimination Policy and Procedures

Statement of Respect & Diversity

We, the Nazareth community, embrace both respect for the person and freedom of speech. The College promotes civility and denounces acts of hatred or intolerance. The free exchange of ideas is possible only when concepts, values and viewpoints can be expressed and challenged in a manner that is neither threatening nor demeaning.

It is the policy of Nazareth College, in keeping with its efforts to foster a community in which the diversity of all members is respected, not to discriminate on the basis of race, religion, color, sexual orientation, gender identity or expression, national or ethnic origin, sex, age, marital or veteran status, disability, carrier status, genetic predisposition or any other protected status. Respect for the dignity of all peoples is an essential part of the College's tradition and mission, and its vision for the future.

Nondiscrimination Policy

It is the policy of Nazareth College of Rochester not to discriminate on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, national or ethnic origin, age, marital or veteran status, disability, carrier status, genetic predisposition or any other protected status in the admission of students to the college; in any of the rights, privileges, programs, and activities generally accorded or made available to students at the college; in the administration of its educational policies, admission policies, scholarship and loan programs, and athletic and other programs administered by the college; or in the employment practices of the college.

Sexual Harassment

It is the policy of Nazareth College of Rochester, in keeping with efforts to establish an environment in which the dignity and worth of all members of the institutional community are respected, that sexual harassment of students and employees is unacceptable conduct and will not be tolerated. Sexual harassment may involve the behavior of a person of either sex against a person of the opposite or same sex, when the behavior falls within the following definition: Sexual harassment of employees and students at Nazareth College is defined as any unwelcome sexual advances, requests for sexual favors, or other verbal, written or physical conduct of a sexual nature when:

- A. submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or academic status; or
- B. submission to or rejection of such conduct is used as the basis for employment, academic, or other decisions affecting that individual; or
- C. such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or educational experience, or creates an intimidating, hostile, or offensive work or educational environment.

Other Discriminatory Harassment

Harassment or intimidation of another person, limiting another person's right to equal opportunity or otherwise denying another person equal treatment because of his or her race, color, religion, sex, sexual orientation, gender identity or expression, national or ethnic origin, age, marital or veteran status, disability, carrier status, genetic predisposition or any other protected status is prohibited.
